IMPORTANT DATES

Application deadline: JUNE 30, 2025 Rebates begin: EARLY JULY, 2025

NOTE: The department may extend the application deadline if funds are available.

Rebates for eligible seniors, widows, widowers and people with disabilities.

WHAT'S NEW

Thanks to bipartisan legislation championed by Governor Josh Shapiro, the income limits for the Property Tax/Rent Rebate program are now tied to the cost of living. This ensures the program keeps up with rising prices and remains impactful for older Pennsylvanians and residents with disabilities.

Additionally, with the recent expansion of the program, individuals who are a resident stockholder of a cooperative housing corporation, such as a condominium, should file as either an owner/renter, or as a renter. Please see the additional instructions on Pages 4, 11, and 12.

WHAT IS THE PROPERTY TAX/RENT REBATE PROGRAM?

A program that supports homeowners and renters across Pennsylvania by providing rebates on property taxes or rent paid in the prior year.

AM I ELIGIBLE?

The program benefits income-eligible Pennsylvanians age 65 and older; widows and widowers age 50 and older; and people with disabilities age 18 and older.

If you include a valid phone number on your application, you will receive updates automatically. The department

will make automated phone calls to advise when your claim is received and again when your claim is approved for payment. These calls begin around April.

DIRECT DEPOSIT

Get your rebate faster with direct deposit. See Pages 12 and 13 for details.

BEFORE YOU BEGIN

STATE SUPPLEMENTARY PAYMENT RECIPIENTS

The State Supplementary Payment (SSP) is not included on your SSA-1099 form. The Department of Human Services will issue annual statements to verify your SSP benefit. SSP is still considered reportable income. As with other Social Security income, only half of the SSP income needs to be included on Line 4 of the Property Tax/Rent Rebate claim form.

SOCIAL SECURITY RECIPIENTS WITH PA ADDRESSES

If you were a Pennsylvania resident for all of 2024, you do not have to submit proof of your Social Security income including Social Security retirement and Supplemental Security benefits. The Social Security Administration provides Social Security income information to the PA Department of Revenue. The PA Department of Human Services will provide State Supplementary Payment information to the department.

However, you or the person who prepares your claim will need these statements to correctly calculate the amount of your rebate. If none of these documents are available, you or your preparer will need to estimate the amount you received during the year. If the dollar amount you provide is not correct, the department will adjust the amount of your rebate based upon income amounts reported directly to the department by the Social Security Administration or the Department of Human Services.

SOCIAL SECURITY RECIPIENTS WITHOUT PA ADDRESSES

If your address in Social Security Administration records was not a Pennsylvania address for 2024, you must submit a copy of one of the following documents as proof of your 2024 Social Security income: Form SSA-1099 reporting your 2024 Social Security benefits, a statement from Social Security that reports the monthly or yearly Social Security/Supplemental Security Income benefits you received during 2024, or a bank statement showing the amount of Social Security/Supplemental Security Income benefits deposited into your account during 2024.

PHILADELPHIA RESIDENTS

Please read the special filing instructions on Page 11.

ELIGIBILITY REQUIREMENTS

You are eligible for a Property Tax/Rent Rebate for claim year 2024, if you meet the requirements in each of the three categories below:

CATEGORY 1 – TYPE OF FILER

- a. You were 65 or older as of Dec. 31, 2024;
- b. You were not 65, but your spouse who lived with you was 65 or older as of Dec. 31, 2024;
- c. You were a widow or widower during all or part of 2024 and were 50 or older as of Dec. 31, 2024; or

d. You were permanently disabled and 18 or older during all or part of 2024, you were unable to work because of your medically determined physical or mental disability, and your disability is expected to continue indefinitely. If you received Supplemental Security Income (SSI) payments, you are eligible for a rebate if you meet all other requirements.

NOTE: If you applied for Social Security disability benefits and the Social Security Administration did not rule in your favor, you are not eligible for a Property Tax/Rent Rebate as a disabled claimant.

CATEGORY 2 – ELIGIBILITY INCOME

When calculating your total eligible annual household income, exclude one-half of your Social Security benefits as shown in Box 5 of your SSA-1099 statement, one-half of your Supplemental Security Income benefits, one-half of your State Supplementary Payment benefits, and one-half of any Railroad Retirement Tier 1 benefits as shown on Form RRB-1099.

Your total eligible annual household income, including the income that your spouse earned and received while residing with you, was \$46,520 or less in 2024.

You must report all items of income, except the nonreportable types of income listed on Pages 8 and 9, whether or not the income is taxable for federal or PA income tax purposes.

NOTE: There may be differences between eligibility income and PA-taxable income. Please see specific line instructions for each category of income.

CATEGORY 3 – OWNER, RENTER, OR OWNER/RENTER

To file as a property owner, renter, or owner/renter, you must meet all requirements for one of the following categories:

OWNER

- a. You owned and occupied your home, as evidenced by a contract of sale, deed, trust, or life estate held by a grantee;
- b. You occupied your home (rebates are for your primary residence only); and
- c. You or someone on your behalf paid the 2024 property taxes on your home.

RENTER

- a. You rented and occupied a home, apartment, nursing home, boarding home, or similar residence in Pennsylvania;
- b. Your landlord paid property taxes or agreed to make a payment in lieu of property taxes on your rental property for 2024 (see Page 12); and
- c. You or someone on your behalf paid the rent on your residence for 2024.

OWNER/RENTER

- You owned, occupied, and paid property taxes for part of the year and were a renter for part of the year;
- b. You owned and occupied your home and paid property taxes and paid rent for the land upon which your home is situated; or
- c. You paid rent for the home you occupied, and paid property taxes on the land upon which your home is situated.

CAUTION: As a renter, if you received cash public assistance during 2024, you are not eligible for any rebate for those months you received cash public assistance. Please complete a PA-1000 Schedule D (enclosed in this booklet).

IMPORTANT: With the expansion of the program and the new income thresholds for renters, individuals who are a resident stockholder of a cooperative housing corporation, such as a condominium, will most likely qualify for a higher rebate if they file as an owner/renter or just as a renter. The maximum standard rebate cannot exceed \$1,000. If your rent exceeds \$5,000, you should file as a renter, not as an owner/renter.

PROOF DOCUMENTS THAT FIRST TIME FILERS MUST SUBMIT

- If you are permanently disabled, age 18 to 64, you must provide proof of your age and proof of your permanent disability.

PROOF OF AGE

NOTE: If you receive Social Security or SSI benefits and have proven your age with the Social Security Administration, you do not need to submit proof of age.

If you have questions on other types of acceptable documents, please call the department at 1-888-222-9190.

PROOF OF DISABILITY

- For Social Security disability, SSI permanent and total disability, Railroad Retirement permanent and total disability, or Black Lung disability, provide a copy of your award letter.
- For Veterans Administration disability, provide a letter from the Veterans Administration stating that you are 100 percent disabled.
- For Federal Civil Service disability, provide a letter from Civil Service stating that you are 100 percent disabled.
- If you do not qualify under any of the disability programs mentioned above, did not apply for Social Security benefits, or do not have a letter from the Veterans Administration or Civil Service Administration, you must submit a Physician's Statement of Permanent Disability (PA-1000 PS), enclosed in this booklet. The form must describe your disability as permanent and your physician must sign the statement to certify that the information is true and accurate to the best of his/her knowledge and belief.

IMPORTANT: The Physician's Statement of Permanent Disability cannot be used if you were denied Social Security disability. The Department of Revenue has the legal authority to require additional evidence that you are permanently disabled and eligible for a rebate.

HOUSEHOLDS WITH MORE THAN ONE QUALIFIED CLAIMANT

Only one member of your household may file a claim even if more than one person qualifies for a rebate. If someone other than your spouse appears on the deed or the lease, please complete a PA-1000 Schedule F (enclosed in this booklet). You may apply for only one rebate each year.

DECEASED CLAIMANT

To be eligible for a rebate, the claimant must have lived at least one day of a claim year, owned and occupied and paid taxes or rented and occupied and paid rent for the claim year during the time period the claimant was alive. The property tax paid for a deceased claimant will be prorated based upon the number of days the claimant lived during the claim year. See Schedule A for the calculation of the prorated property tax rebate.

To determine if a deceased claimant is eligible for a rebate, a deceased claimant's claim form must also include an annualized income amount in the calculation of total household income. See Schedule G, specifically the instructions for Line 11g, for information on the calculation of annualized income to be included in household income. A

copy of the death certificate must also be included with the claim form.

A surviving spouse, estate or personal representative may file a claim on behalf of a deceased claimant. A personal representative can also have a previously filed rebate issued in his or her name, instead of the name of the decedent, in certain circumstances. Please see sections entitled SURVIVING SPOUSE, AN ESTATE, and PERSONAL REPRESENTATIVE for details.

SURVIVING SPOUSE

The surviving spouse can file the completed claim and include a copy of the death certificate and a letter stating that he/she was the spouse of the claimant at the time of death. The surviving spouse may sign on the claimant's signature line.

OR

If the surviving spouse is eligible to file a claim, he/she can file under his/her own name instead of submitting a claim using the deceased individual's claim form.

The surviving spouse should print his/her name, address, and Social Security number (SSN) in Section I, and follow the filing instructions. The surviving spouse should furnish proof required for a first time filer. Do not use the label the department sent to the decedent in the booklet. The surviving spouse should enter the deceased spouse's SSN and name in the spouse information area, and fill in the oval "if Spouse is Deceased", located in the area next to the Spouse's SSN on the claim form.

AN ESTATE

The executor or the administrator of the claimant's estate may file the claim and submit a Short Certificate showing the will was registered or probated. When there is no will and there are assets (an estate), submit a copy of the Letters of Administration. A Short Certificate or Letters of Administration can be obtained from the county courthouse where the death is recorded. The person filing the claim form on behalf of the deceased person may sign on the claimant's signature line.

PERSONAL REPRESENTATIVE

If a person dies and there is no will, the will has not been registered or probated or there is no estate, then a personal representative may file a claim on behalf of an eligible decedent. A decedent's personal representative must submit a copy of the decedent's death certificate, a DEX-41, Application for Refund/Rebate Due the Decedent, and a receipted copy of the decedent's funeral bill showing that the personal representative personally paid the decedent's funeral expenses in an amount that is greater than or equal to the amount of the property tax/rent rebate to which the decedent is entitled.

If a person dies after filing a claim and there is no will, or if the will has not been registered or probated, or there is no estate, then a personal representative can also request that the department change the rebate to be issued into his/her name. In cases where the rebate check has been received but cannot be cashed, the check must be returned with a request to have the rebate issued in the name of the personal representative. The decedent's personal representative must submit a copy of the decedent's death certificate, a DEX-41, Application for Refund/Rebate Due the Decedent, and a receipted copy of the claimant's funeral bill showing that the personal representative personally paid the funeral expenses in an amount that is greater than or equal to the amount of the property tax/rent rebate to the claimant is entitled.

The DEX-41, Application for Refund/Rebate Due the Decedent, can be obtained by visiting the department's website at **revenue.pa.gov** or by using one of the department's Forms Ordering Services found on Page 18.

If you have any questions regarding the filing of a claim on behalf of a deceased claimant, please call the department at 1-888-222-9190.

PRIVACY NOTIFICATION

By law, (42 U.S.C. § 405(c)(2)(C)(i); 61 Pa. Code §117.16) the Pennsylvania Department of Revenue has the authority to use the Social Security number (SSN) to administer the Property Tax or Rent Rebate Program, the Pennsylvania personal income tax and other Commonwealth of Pennsylvania tax laws. The department uses the SSN to identify individuals and verify their incomes. The department also uses the SSN to administer a number of tax-offset and child-support programs federal and Pennsylvania laws require. The commonwealth may also use the SSN in exchange-of-tax-information agreements with governmental authorities.

Pennsylvania law prohibits the commonwealth from disclosing information that individuals provide on income tax returns and rebate claims, including the SSN(s), except for official purposes.

PA - 1000 FILING INSTRUCTIONS

SECTION I - SOCIAL SECURITY NUMBER, NAME, ADDRESS, AND RESIDENCE INFORMATION

- Do not include any punctuation such as apostrophes, commas, periods, and hyphens.
- Use black ink. Another color such as red ink will delay the processing of your rebate claim.
- Do not use pencil or pens labeled as gel pens or any red ink.
- Print all information on your claim neatly inside the boxes.
- Use upper case (capital) letters. Use a blank box to separate words.
- Print one letter or number in each box when entering your Social Security number, name, address, dollar amounts, and other information. If your name, address, or city begins with Mc, Van, O', etc., do not enter a space or a punctuation mark.

When completing the information in Section I, the following guidelines must be followed:

- 1. The claimant's SSN must be entered on the application. The spouse's SSN must also be entered if the claimant and spouse resided together for the entire year. Do not enter the spouse's SSN if they were deceased during the claim year.
- 2 Enter the claimant's name as last name, first name, and middle initial.
- 3. Enter the current address of the claimant (or the address where correspondence is to be delivered). This should match the address on the tax bills or the current rental address; if not, an explanation must be included. There are two lines for entering an address. For the First Line of Address, enter the street address. If the address has an apartment number (APT), suite (STE), floor (FL), or rural route number (RR), enter it after the street address. If the street address and the apartment number, suite, etc. do not fit on the First Line of Address, enter the street address on the Second Line of Address and the apartment number, suite, etc. on the First Line of Address. For the Second Line of Address, enter the post office box, if applicable. If there is no post office box, leave the Second Line of Address blank.

The U.S. Postal Service prefers that the actual delivery address appears on the line immediately above the city, state, and ZIP code.

On the third line, enter the city or post office. If either exceeds 14 letters, use the approved postal abbreviation. Also enter the two-letter state abbreviation and five-digit ZIP Code.

- 4. If the spouse is deceased during the claim year, fill-in completely the oval in the upper right-hand corner of Section I, to the right of the spouse's SSN. This is especially important if the spouse's name still appears on the tax bill (whether living or deceased).
- 5. Enter the two-digit county and five-digit school district codes indicating where the claimant resided as of Dec. 31 of the claim year (see pages 15 17). If you do not know the name of the county or school district where you reside, you can either check the county and school property tax bills used to complete this

claim, or you can obtain this information from the Online Customer Service Center at **revenue.pa.gov**.

- 6. If the address is in the United States, you are not required to enter the country code. If the current mailing address is in another country but you are claiming a rebate because you lived at least part of the year in Pennsylvania and meet the eligibility requirements of the program, you must enter the alphabetic abbreviation for the country. A list of country codes can be found at **irs.gov/e-file-providers/foreign-countrycode-listing-for-modernized-e-file**.
- 7. Enter the birth date of all claimants. A claimant must provide their birth date, and if applicable, their spouse's birth date, and name.
- 8. A daytime telephone number should be provided. The department will make automated phone calls to advise when applications are received and again when they are approved for payment.

SECTION II - FILING STATUS CATEGORIES

Line 1 - Please fill in the oval that shows your correct filing status. Fill in only one oval. Filling in more than one oval may reduce the amount of your rebate.

(P) Property Owners: Fill in this oval if you owned and occupied your home for all or part of 2024 and did not rent for any part of the year.

(R) Renters: Fill in this oval if you rented and occupied your residence for all or part of 2024.

(B) Owner/Renter: Fill in this oval if you owned and occupied your residence for part of 2024, and also rented and occupied another residence for the rest of 2024, or if you owned your residence and rented the land where your residence is located.

EXAMPLE: John pays property taxes on a mobile home that he owns and occupies. His mobile home is on land that he leases. John may claim a property tax rebate on the mobile home and a rent rebate on the land. See Pages 9, 11, and 12 for documents you must send as proof of property taxes or rents paid.

Line 2 - Certification. Please read each description and select the type of filer that applies best to your situation as of Dec. 31, 2024. A surviving spouse age 50 to 64 is eligible for a rebate as a widow or widower, while a surviving spouse who is 65 or older can file as a claimant. A surviving spouse under 50 may be able to file a claim for a deceased claimant if the deceased was 65 or older. Please complete the claim form using your Social Security number, name and address, and supply all appropriate documentation.

- a. Claimant age 65 or older
- b. Claimant under age 65, with a spouse age 65 or older who resided in the same household (You must submit proof of your spouse's age the first time you file.)

- c. Widow or widower, age 50 to 65 (If your most recent marriage ended in divorce, you do not qualify as a widow/widower.)
- d. Permanently disabled and age 18 to 64
- See Page 4 for acceptable proof of age documents.

Line 3 - If you are filing on behalf of a decedent (a claimant who died during the claim year who otherwise would have been an eligible claimant under a, b, c, or d for Line 2 above), completely fill in the oval. The type of claimant under which the decedent qualifies under Line 2 above must also be included. A copy of the death certificate must be submitted and Schedule G must be completed.

SECTION III - LINES 4 THROUGH 18

You must report the total household income you earned and/or received during 2024 for each category, which includes your spouse's income earned and/or received while residing with you.

All claimants must submit proof of annual income.

IMPORTANT: The department reserves the right to request additional information or make adjustments to federal data if credits or deductions were taken to reduce income.

CAUTION: Spouses may not offset each other's income and losses.

The department has the legal authority to require evidence of the income you report on your claim. The following lists the kinds of income you must report and the documents you must submit as proof of the reported income. You must include the income that your spouse received while residing with you. See Pages 8 and 9 for a list of the kinds of income that you do not need to report.

NOTE: Print your Social Security number on each Proof Document that you submit with your claim form.

Line 4 - Include one-half of your 2024 Social Security Benefits as shown in Box 5 of your benefit statement SSA-1099, one-half of your 2024 SSI, one-half of your 2024 Social Security Disability Income, and one-half of your 2024 State Supplementary Payment. No documentation is required, if using a PA address.

Line 5 - Include one-half of your Railroad Retirement Tier 1 Benefits. Submit a copy of form RRB-1099.

CAUTION: The total income from old age benefit programs from other countries, such as Service Canada Old Age Security, must be converted into U.S. dollars and reported on Line 6.

Line 6 - Include the **gross** amount (not the taxable amount) of pensions, annuities, Individual Retirement Account distributions, Tier 2 Railroad Retirement Benefits, and Civil Service Disability Benefits. Do not include Black Lung Benefits, federal veterans' disability payments, or state veterans' benefits. State veterans' benefits include service connected compensation or benefits of any kind

provided to a veteran or unmarried surviving spouse paid by a commonwealth agency or authorized under the laws of the commonwealth. Submit photocopies of pension/annuity benefits statements along with other forms 1099 showing income for 2024.

IMPORTANT: Do not include rollovers from Individual Retirement Accounts and employer pensions. However, proof must be provided. Proof includes, but is not limited to, a federal Form 1099-R showing a rollover or other documentation indicating that the distribution was rolled into a new account.

If you have one or more distributions from annuity, life insurance, or endowment contracts reported on Form 1099-R that are included as interest income on your PA-40 Personal Income Tax Return, please write "Included as Interest Income on PA-40" across the top of any Form 1099-R for such distributions and include copies of all your Forms 1099-R with your claim form.

Line 7 - Report interest and dividends received or credited during the year, whether or not you actually received the cash. If you received dividends and capital gains distributions from mutual funds, report the capital gains distributions portion of the income as dividends, not as gains from the sale or exchange of property. Include interest received from government entities. You must also include all tax-exempt interest income from direct obligations of the U.S. government, any state government, or any political subdivision thereof in the amount shown on Line 7. **SUBMIT THE FOLLOWING:**

- A copy of your federal Form 1040 Schedule B or your PA-40 Schedule A and/or B; or copies of any federal Forms 1099 you received; OR
- A copy of the front page of your PA or federal income tax return verifying the income reported on Line 7.

IMPORTANT: If you received capital gains distributions from a mutual fund, you must use PA Schedule B or the front page of your PA tax return to verify your income. If you have PA tax-exempt interest income, you must include federal Form 1040 Schedule B along with a copy of the front page of your federal tax return.

Line 8 - Include gains or losses you realized from the sale of stocks, bonds, and other tangible or intangible property as well as any gains or losses realized as a partner in a partnership or shareholder in a PA S corporation. Do not include capital gains distributions from mutual funds required to be reported on Line 7.

NOTE: The nontaxable gain on the sale of your principal residence must also be reported on this line. If you realized a loss from the sale of your principal residence, this loss may be used to offset any other gains you realized from the sale of tangible or intangible property. However, any net loss reported on this line cannot be deducted from any other income. You may also submit photocopies of each PA Schedule RK-1, PA Schedule NRK-1, or federal Schedule K-1 that shows your gains or losses for each partnership or PA S corporation.

Submit a copy of your federal Form 1040 Schedule D, a copy of your PA-40 Schedule D, or copies of any federal Forms 1099 you received which will verify any gains or losses you realized. If you received capital gains distributions from mutual funds, do not include a copy of federal Form 1040 Schedule D. You must include a copy of your PA-40 Schedule D.

If you sold your personal residence during this claim year, submit a statement showing the sale price less selling expenses, minus the sum of the original cost and permanent improvements.

CAUTION: You may only use losses from the sale or exchange of property to offset gains from the sale or exchange of property.

Line 9 - Include net rental, royalty, and copyright income or loss realized during 2024 from property owned and rented to others, oil and gas mineral rights, royalties, or income received from a copyright as well as any net income or loss realized as a partner in a partnership or shareholder in a PA S corporation.

CAUTION: You may only use rental losses to offset rental income.

IMPORTANT: If you receive income from the rental of a portion of your own home, you must complete and submit a PA-1000 Schedule E (enclosed in this booklet). Submit a copy of your federal Form 1040 Schedule E, Part I, or PA-40 Schedule E from your income tax return. You may also submit photocopies of each PA Schedule RK-1, PA Schedule NRK-1, or federal Schedule K-1 that shows your net income or loss from rents, royalties, patents, and copyrights for each partnership or PA S corporation.

Line 10 - Include net income or loss from a business, profession, or farm, and net income or loss you realized as a partner in a partnership or a shareholder in a PA S corporation.

CAUTION: You may only use business losses to offset business income.

IMPORTANT: If you operate your business or profession at your residence, you must complete and submit a PA-1000 Schedule E (enclosed in this booklet).

Submit a photocopy of each federal Form 1040 Schedule C or F, or PA-40 Schedule C or F from your income tax return. You may also submit photocopies of each PA Schedule RK-1, PA Schedule NRK-1, or federal Schedule K-1 that shows your income or loss for each business.

Lines 11a - 11g - Other Income - Complete Lines 11a through 11g to report all other income that you and your spouse earned, received, and realized.

For each category of income on Lines 11a through 11g, you must submit proof, such as photocopies of Forms W-2, Department of Human Services cash assistance statements, your federal or PA income tax returns, and any other documents verifying income.

Line 11a. - Gross salaries, wages, bonuses, commissions, and estate or trust income not included in business, profession, or farm income.

Line 11b. - Gambling and lottery winnings, including PA Lottery, Powerball and Mega Millions winnings, prize winnings, and the value of other prizes and awards. (A PA-40 Schedule T must be submitted to verify these winnings, as well as a W-2G to document PA Lottery winnings.)

Line 11c. - Value of inheritance, alimony, and spousal support money.

Line 11d. - Cash public assistance/relief, unemployment compensation, and workers' compensation benefits, except Section 306(c) benefits.

Line 11e. - Gross amount of loss of time insurance benefits, disability insurance benefits, long-term care insurance benefits (if received directly by the claimant), and life insurance benefits and proceeds, except the first \$5,000 of the total death benefit payments.

Line 11f. - Gifts of cash or property totaling more than \$300, except gifts between members of a household.

Line 11g. - Miscellaneous income and annualized income amount. Include any income not identified above prior to the calculation of annualized income. If a claimant died during the claim year, an annualized income amount must also be included. To calculate the annualized income amount, complete Schedule G. When adding amounts for Line 3 of Schedule G, do not add any negative amounts reported on Lines 8, 9, or 10.

Do not report the following income:

- Medicare or health insurance reimbursements;
- Food stamps, surplus foods, or other such non-cash relief supplied by a governmental agency;
- Property Tax/Rent Rebate received in 2024;
- The amount of any damages due to personal injuries or sickness. Damages include Black Lung benefits and benefits granted under Section 306(c) of the Workers' Compensation Security Fund Act (relating to Schedule of Compensation for disability from permanent injuries of certain classes);
- Payments provided to eligible low-income households under the commonwealth's Low Income Home Energy Assistance Program;
- Payments received by home providers of the domiciliary care program administered by the Department of Aging, except those payments in excess of the actual expenses of the care;

- Federal or state tax refunds;
- Spouse's income earned or received while not living with you;
- Public Assistance benefits received by children in the household, even though the check is issued in claimant's name;
- Qualified distributions from ABLE (Achieving a Better Life Experience) Savings Programs;
- Federal stimulus or economic impact payments;
- STRIVE Program credits;
- · Child support; and
- Individual Retirement Account and employer pension rollovers (must provide a copy of federal Form 1099-R indicating rollover or other supporting documentation).

CAUTION: If a claimant had significant income that is not typically received in equal amounts throughout the claim year, or if the number-of-days method does not accurately calculate the annualized income, the claim may be filed using an alternative method for determining the annualized income amount to be included on Line 11g. A worksheet must be included to show how the amount of annualized income was determined in those instances. The worksheet must clearly show how the income was determined and an explanation of the reason for deviating from the Schedule G method. Examples of when the claim would be filed using an alternative method would include instances where there is income from a one-time event such as a gain on the sale of stock, lump sum payments from an IRA or annuity, an amount is reported as an inheritance, or a payment is received as a beneficiary on a life insurance policy. Proof of the deviation from the number-of-days method may be required by the department. The department will accept reasonable methods of calculating the annualized income amount.

Line 12 - If you and/or your spouse received benefits from the federal Civil Service Retirement System (CSRS) as (a) retired federal civil service employee(s) or as a surviving spouse, you may reduce your total eligibility income by 50 percent of the average retired worker Social Security payment for 2023. The average retired worker Social Security payment for 2023 is \$10,951. Enter \$10,951 on Line 12 only if you include CSRS benefits in Line 6. If both you and your spouse received CSRS benefits, or if you received your own CSRS benefits and CSRS benefits as a surviving spouse, enter \$21,902 on Line 12. Otherwise, enter \$0.

Line 13 - Add the positive income figures reported on Lines 4 through 11g, subtract the amount on Line 12 (if applicable) and enter the net result on Line 13 and 23. Do not include losses reported on Lines 8, 9, and/or 10.

IMPORTANT: If you have over \$46,520 of income claimed on Line 13, you are not eligible for either Property Tax or Rent Rebate relief under this program.

Line 14 - For Property Owners Only

Before completing Line 14 of the claim form, complete any schedules listed in the instructions for this line. If you must

complete more than one schedule, you must complete them in alphabetical order. If one schedule does not apply to you, skip it, and go to the next schedule. You must carry forward, as the total tax paid, the last amount shown on the previous schedule you complete to the next schedule you complete.

Enter the total amount of the property taxes paid for your primary residence, or the amount shown as eligible property taxes paid on the last schedule completed.

IMPORTANT: If you do not enter the amount of all taxes paid on the primary residence, you will limit the department's ability to determine your eligibility for and amount of a supplemental rebate. See Page 14 for more information on supplemental rebates.

You must deduct interest or penalty payments, municipal assessments, per capita taxes, or occupation taxes included in your payment. If you paid early and received a discount, you enter the amount you actually paid on Line 14. You must also deduct other charges included in your tax bills. See taxes that are not acceptable on Page 11.

If your name does not appear on the receipted tax bills, you must submit proof of ownership. **Examples of proper proof are:** a copy of the deed or a copy of the trust agreement, will, or decree of distribution if you inherited your property. If your address is not on your receipted property tax bill or mortgage statement, you also must submit a letter from your tax collector or mortgage company verifying your home address.

NOTE: If your tax bills include a name and/or names other than yours and your spouse's, you must complete PA-1000 Schedule F or submit proof that you are the sole owner of the property.

Include only the property tax on the amount of land that is necessary for your personal use.

PA-1000 Schedule A - If you owned and occupied your home for less than the entire year of 2024 or a claim is being filed on behalf of a deceased owner who died during 2024.

PA-1000 Schedule B - If you were a widow or widower age 50 to 64 who remarried in 2024.

PA-1000 Schedule E - If you used part of your residence for a purpose other than living quarters in 2024.

PA-1000 Schedule F - If your deed shows owners other than your spouse.

As proof of property tax paid, homeowners must provide photocopies of one of the following real estate documents:

• All 2024 real estate tax bills that have been marked "paid" by the tax collector (see the instructions beginning on this page for the proper calculation of the amount on Line 14). If you paid your taxes in quarterly installments, a tax bill must be submitted for each period. For tax bills that are not marked paid by the tax collector, the department will accept a photocopy of both sides of the cancelled check along with a copy of the tax bill;

ATTENTION PHILADELPHIA RESIDENTS:

The City of Philadelphia has provided the department with electronic records of all receipted 2024 property tax bills for Philadelphia that were paid by Dec. 31, 2024. If you live in the City of Philadelphia and paid your 2024 property taxes by Dec. 31, 2024, do not include a copy of your receipted property tax bills. If you live in Philadelphia and paid your 2024 property taxes in 2025, please submit proof of payment as outlined in the preceding information.

NOTE: You or the person who prepares your claim will need to know the amount of tax you paid in order to correctly calculate your rebate. If you do not have a copy of your original tax bill or a copy of your tax payment, you or your preparer will need to estimate the amount of taxes you paid. If the tax amount you provide is not correct, the department will adjust the amount of your rebate based upon the paid taxes reported to the department by the City of Philadelphia.

Line 15 - To determine the amount for Line 15, start with the amount of your total income on Line 23. In Table A, find the income range that includes your Line 23 amount and circle the corresponding maximum standard rebate amount. Compare your maximum standard rebate amount to the amount on Line 14 and enter the lesser amount on Line 15. The maximum standard rebate cannot exceed \$1,000.

Line 16 - For Renters Only

PA Rent Certificate (PA-1000 Schedule RC) - You must always complete this schedule before completing Line 16 or the additional schedules noted later in the instructions for this line. If none of the additional schedules apply, report the amount from Line 8 of Schedule RC on Line 16 of your claim form.

You may claim a rebate only if you pay rent to a property owner for a dwelling that you rent for use as a home that is a self-contained unit.

NOTE: A landlord-tenant relationship exists when the landlord (lessor) provides the claimant (lessee) with a lease for a self-contained unit. This usually means a separate kitchen, bath and bedroom.

The landlord (lessor) must maintain a lease agreement, have separate utility bills, have other evidence of a selfcontained unit, and report the rental income on federal and PA tax returns. If the landlord (lessor) also claims a Property Tax/Rent Rebate, they must submit a PA-1000 Schedule E (enclosed in this booklet), and provide their federal or PA tax return. You, as the claimant for a rebate, are responsible to prove a landlord-tenant relationship. Self-contained dwellings for rent eligible for rent rebates can include:

- Apartment in a house
- Apartment building
- Boarding home

- Mobile home
- Mobile home lot
- Nursing home
- Private home
- Personal care home
- Assisted living
- Condominium
- Domiciliary care
- Foster care

Rent Payment Subsidies - For the purpose of this rebate claim, subtract rent payment subsidies provided by or through a governmental agency from the total rent you paid. See Line 5 of the PA Rent Certificate.

Renters must provide one of the following proof documents:

- 1. A fully completed PA Rent Certificate (PA-1000 Schedule RC), filled out by the landlord, for each place you rented during the year. Keep copies for your records. Your landlord or his/her authorized agent should complete Lines 1 through 8 and sign the PA Rent Certificate.
- 2. A fully completed PA Rent Certificate, filled out by the claimant, along with a notarized Occupancy Affidavit or rent receipts. If you cannot get your landlord to sign the form, you must still complete and submit the PA Rent Certificate (PA-1000 Schedule RC) along with the notarized Occupancy Affidavit that is below the PA Rent Certificate. The reason the landlord's signature could not be obtained must be included. You may also submit the form with copies of your rent receipts. The rent receipts for each period in which you paid the rent must include the landlord or his/her agent's signature, the full amount of rent paid, your name and the complete address of the rental property.

NOTE: The department will not accept cancelled checks as proof of rent paid. Print your Social Security number on each proof document that you submit with your claim form.

IMPORTANT: If your landlord is a tax-exempt entity and is not required to pay property taxes on your rental property, you do not qualify for a rent rebate unless your landlord makes payments in lieu of taxes. In this situation, landlords agree to make reasonable cash payments in lieu of taxes to a local government authority (county, municipality, school district, fire/police department, etc.) in order to allow their residents to claim rent rebates.

Before completing Line 16 of the claim form, complete any schedules listed in the instructions for this line. If you must complete more than one schedule, you must complete them in alphabetical order.

If one schedule does not apply to you, skip it, and go to the next schedule. You must carry forward, as the total rent paid, the last amount shown on the previous schedule you complete to the next schedule you complete. Report the amount shown on the last schedule that applies to you on Line 16 of the claim form.

PA-1000 Schedule B - If you were a widow or widower age 50 to 64 who remarried in 2024.

PA-1000 Schedule D - If you were a renter who received cash public assistance in 2024.

PA-1000 Schedule E - If you used part of your residence for a purpose other than living quarters in 2024.

PA-1000 Schedule F - If your lease shows persons other than your spouse or minor children.

If you were required to complete Schedules B, D, E, or F, enter the lesser amount of the total rent paid in 2024 or the amount shown as eligible rents paid, on the last schedule completed.

Line 17 - Multiply Line 16 by 20 percent (0.20).

Line 18 - To determine the amount for Line 18, start with the amount of your total income on Line 23. In Table A, find the income range that includes your Line 23 amount and circle the corresponding maximum rebate amount. Compare your maximum rebate amount to the amount on Line 17 and enter the lesser amount on Line 18. The maximum standard rebate cannot exceed \$1,000.

Line 19 - For Owner/Renter Only

CAUTION: As an owner/renter, only fill in Oval B (Owner/Renter) in Section II of the claim form. Do not fill in Oval P or R. Filling in other ovals may reduce your rebate amount. If you were both a property owner and a renter in 2024, you must calculate your property tax rebate separately from your rent rebate. Complete Lines 14 and 15 to calculate your property tax rebate and complete Lines 16 through 18 to calculate your rent rebate.

Add Lines 15 and 18 - To determine the amount for Line 19, start with the amount of your total income in Line 23. In Table A, find the income range that includes your Line 23 amount and circle the corresponding maximum standard rebate amount. Compare your maximum standard rebate amount to the sum of Lines 15 and 18 and enter the lesser amount on Line 19. The maximum standard rebate cannot exceed \$1,000.

DIRECT DEPOSIT

Line 20 - In order to comply with banking rules, direct deposits are not available for rebates going to bank accounts outside the U.S. If your bank account is outside the U.S., do not complete the direct deposit Lines 20, 21, and 22. The department will send you a paper check.

If your rebate will be going to a bank account within the U.S., you have the option to have your rebate directly deposited.

If you want the Department of Revenue to directly deposit your rebate into your checking or savings account at your bank, credit union, or other financial institution, place an X in the appropriate box on Line 20. Then complete Lines 21 and 22.

Please do not send a copy of a blank or voided check with your rebate application.

IMPORTANT: If the direct deposit request is to a representative payee bank account or bank account for anyone other than the claimant or the claimant's spouse (in the case of a joint claim), each claim filed requesting payment to that account must include a copy of the contract, agreement, or other document authorizing the payee as the proper receiver of the claimant's rebate.

CAUTION: Be sure to enter the correct routing and account numbers. Please check with your financial institution to make sure your direct deposit will be accepted and to get the correct routing and account numbers. The Department of Revenue:

- Is not responsible for a lost rebate if you enter the wrong account information.
- Cannot change the banking information you enter in these spaces.
- Will send a check instead of making a direct deposit into your account if the information you entered is not accurate or up to date.
- Will convert a direct deposit payment request into a paper check to be mailed to the claimant if the department cannot verify the rebate is authorized for direct deposit into a representative payee bank account.

By placing an X in either box on Line 20, you are authorizing the department to directly deposit your rebate into your checking or savings account. Direct deposits cannot be made to Social Security Direct Express ® cards.

IMPORTANT: Do not include a copy of a blank check with your rebate application. The department cannot complete this information on your application.

Line 21 - Routing Number

Enter your bank or financial institution's nine-digit routing number. The first two digits must be 01 through 12, or 21 through 32. Do not use spaces or special characters when entering the routing number. **EXAMPLE:** The routing number on the sample check above is 250250025. If you are attempting to complete this line using a deposit slip, please contact your financial institution to determine if the routing number is correct. Many times the number on the deposit slip is for internal use by the institution and using it may delay the payment of your rebate.

NOTE: This number must be nine digits. Otherwise, your financial institution will reject the direct deposit, and the department will mail you a check.

IMPORTANT: Your check may state that it is payable through a bank different from the financial institution where you have your account (i.e. your check may have two banks listed on the face). If so, do not use the routing number on your check. Instead, ask your financial institution for the correct routing number and enter it on Line 21.

Line 22 - Checking or Savings Account Number

Enter your checking or savings account number. Your account number may be as many as 17 digits and may contain both numbers and letters.

Enter the numbers and letters from left to right. Do not use spaces or special characters when you enter your account number and leave any unused boxes blank.

EXAMPLE: The checking account number on the sample check above is 20202086. **Do not include the check number**. The check number on the sample check is 0001. If you are attempting to complete this line using a direct deposit slip, please contact your financial institution to determine if the account number is correct. Many times the number on the deposit slip is for internal use by the institution and using it may delay the payment of your rebate.

CAUTION: If your bank has recently changed ownership, the routing and account numbers on your check may be incorrect. Please verify the routing and account numbers with your bank before you enter them on Lines 21 and 22.

IMPORTANT: If you apply before the end of May and opt for direct deposit of your rebate, you may notice a zero dollar transaction on your April or May bank statement.

This transaction is part of a security process conducted to verify your account information and ensure your rebate arrives quickly and accurately. If account information cannot be verified for direct deposit, the department will send you a paper check.

Line 23 - Total Income

Line 23 is used to determine the correct rebate amount. Enter the amount from Line 13 of the claim form on this line and circle the corresponding Maximum Standard Rebate or Maximum Rebate amount for your income level. Use Table A.

SECTION IV - OATH

Please read the following oath before signing the claim form.

CLAIMANT OATH: I declare that this claim is true, correct, and complete to the best of my knowledge and belief, and this is the only claim filed by members of my household. I authorize the PA Department of Revenue access to my federal and Pennsylvania personal income tax records, my PACE records, my Social Security Administration records, and/or my Department of Human Services records. This access is for verifying the truth, correctness, and completeness of the information reported in this claim.

If you do not agree with the oath, do not sign the claim form. However, the department will not process the claim form or issue a rebate without a signature.

NOTE: The Property Tax or Rent Rebate program is a benefit provided to qualifying homeowners who apply. The Department of Revenue will not place a lien or judgment on your property because of a Property Tax/Rent Rebate paid to you.

SIGNATURES: Sign and date the claim form in the space provided. The signature must match the name listed on the label or printed on the name line. If someone other than the claimant signs the claim form, a copy of the Power of Attorney, guardianship papers, or other documents entitling that person to sign must accompany the claim form. In the case of a deceased claimant, see the instructions beginning on Page 4.

If the claimant makes a mark instead of a signature, two people must sign the form as witnesses to the claimant's mark.

Also please provide the name, address, and telephone number of the claimant's nearest relative. This helps the department locate claimants if the Post Office returns a rebate check as undeliverable.

If you are signing the claim form on the behalf of the claimant(s) under the authority of a Power of Attorney, complete the name, telephone number and address lines as indicated on Page 2 of the PA-1000, Property Tax or Rent Rebate Claim Form. You must also include a copy of the Power of Attorney form with the PA-1000 claim form when filed.

SUBMIT YOUR APPLICATION

File electronically via myPATH in order to receive your rebate faster. See Page 18.

You must complete and submit one original claim form to the Department of Revenue. Do not submit a photocopy of the claim form.

IMPORTANT: Do not use staples. Using staples delays the processing of your claim and damages your claim form and other documents.

Place your completed claim form and other necessary documents in the envelope provided. Use the checklist on the back of the envelope to verify that your claim is complete. Incomplete claims will delay your rebate. If you do not have the envelope the department provided, mail your completed claim form and necessary documents to:

PA DEPARTMENT OF REVENUE PROPERTY TAX OR RENT REBATE PROGRAM PO BOX 280503 HARRISBURG PA 17128-0503

SUPPLEMENTAL PROPERTY TAX REBATES

Revenue from slots gaming is providing general property tax relief to all Pennsylvania homeowners. Supplemental property tax rebates, equal to 50 percent of taxpayers' base rebates, are available to provide extra relief to homeowners who need it the most.

Homeowners in Pittsburgh, Scranton, and Philadelphia with eligibility income of \$31,010 or less will receive additional payments, as will homeowners in the rest of the state who meet the same income-eligibility requirement and pay more than 15 percent of their household income in property taxes.

IMPORTANT: If you are eligible for a supplemental payment above the maximum rebate, the department will calculate it for you. Please follow the instructions for Lines 14 and 15 on Pages 9 and 11 of this booklet to complete your rebate application; do not adjust the amounts on Line 15.

COMMONWEALTH OF PENNSYLVANIA OFFICE OF THE GOVERNOR HARRISBURG

My Fellow Pennsylvanians:

During my tenure as your Governor, I have heard firsthand from seniors who told me that we need to do more to help them keep up with rising prices. In communities all across our Commonwealth, our older residents shared their struggles and the financial burdens they are facing — and I promised that my Administration would work to provide real relief and put money back in their pockets.

I am proud to say that we delivered on this promise when I signed into law a bipartisan expansion of the Property Tax/Rent Rebate (PTRR) program. With the signing of this historic legislation, we implemented crucial updates to this program and delivered the largest targeted tax cut for PA seniors in nearly two decades.

In fact, we're already seeing the impact of this significant expansion. Through the midpoint of last summer, well over 500,000 Pennsylvanians had already submitted their applications for rebates on property taxes or rent paid in 2023. This group included more than 100,000 first-time PTRR applicants – people who missed out on this critical relief in the past but are benefitting from the program for the very first time. I'm thrilled that we delivered these results and have taken the steps to ensure that the PTRR program continues to serve as a vital lifeline for older Pennsylvanians and people with disabilities.

Of course, for this positive momentum to continue, we need your help. If you, a loved one, or someone else you know meets the eligibility criteria for the PTRR program, we strongly encourage you to file a rebate application. Remember, rebates are based on annual income and property taxes/rent paid during the prior year, so it is necessary for every eligible applicant to file their application each year.

You can find in-person filing assistance at many locations — Department of Revenue district offices, local Area Agencies on Aging, and your state legislators' offices. There is no wrong door to apply, so please take advantage of the help that is available. You can also find filing information online at pa.gov/PTRR.

My Administration is going to keep working to stand up for our seniors and to implement commonsense solutions that make a real difference in their lives.

All the best,

JOSH SHAPIRO

Governor
